INIGO CYBER PROPERTY DAMAGE CONSORTIUM

WHO WE ARE

The Inigo Cyber Property Damage consortium provides up to \$35m in excess layer limit for Cyber Property Damage (CZ) and blended Cyber (CY) and Cyber Property Damage programmes. Both CY and CZ can be provided to the full limit. The consortium targets those industries that have both an exposure to Cyber PD loss as well as a mature risk management framework that recognises and treats the risk. Focus industries for the consortium are Energy, Manufacturing, Power, Transportation and Logistics, Pharmaceuticals and Marine. All industries and Geographies will be considered. The consortium can sit excess of both affirmative Cyber Property Damage products as well as programmes structured as buybacks to Cyber exclusions in Property Damage products.

OUR CLAIMS PHILOSOPHY

Visit any insurance company, and you'll see promises about fast payment and helpful people. To be frank, that should go without saying. To us, a high-quality claims experience means so much more than paying valid claims efficiently. It's about appreciating everyone is different and understanding your unique challenges. It's about building a partnership that trusts us to lead the way and take decisive action - when and while you need us. And it's about proactively working to benefit members through analysis and creating innovative solutions. And yes. This philosophy is underpinned by our responsive and experienced claims team - based worldwide to provide visible, real-time support. Because some things really shouldn't remain unsaid.
