

POLITICAL VIOLENCE AND TERRORISM

WHO WE ARE

Through our Lloyd's syndicate, we work exclusively with the broker intermediary market, serving some of the world's largest commercial and industrial enterprises. Additionally, we provide reinsurance to leading insurers across the globe.

Data science is at the core of everything we do. The data we use and the models we build to run it, offer genuinely different and useful

perspectives on risk, propelling new understanding to enable better decisions.

A blend of experience and ambitious talent, our dynamic people are the heart of the Inigo experience. Our values of radical simplicity and low ego underpin truly exceptional relationships.
