

DIRECTORS & OFFICERS LIABILITY

WHO WE ARE

Through our Lloyd's syndicate, we work exclusively with the broker intermediary market, serving some of the world's largest commercial and industrial enterprises. Additionally, we provide reinsurance to leading insurers across the globe.

Data science is at the core of everything we do. The data we use and the models we build to run it, offer genuinely different and useful

perspectives on risk, propelling new understanding to enable better decisions.

A blend of experience and ambitious talent, our dynamic people are the heart of the Inigo experience. Our values of radical simplicity and low ego underpin truly exceptional relationships.

OUR CLAIMS PHILOSOPHY

Visit any insurance company, and you'll see promises about fast payment and helpful people. To be frank, that should go without saying. To us, a high-quality claims experience means so much more than paying valid claims efficiently. It's about appreciating everyone is different and understanding your unique challenges. It's about building a partnership that trusts us to lead the way and take decisive action – when and while you need us. And it's about proactively working to benefit members through analysis and creating innovative solutions. And yes. This philosophy is underpinned by our responsive and experienced claims team – based worldwide to provide visible, real-time support. Because some things really shouldn't remain unsaid.

PARK THE EGO

We are welcoming and open, and embrace different thinking

RADICAL SIMPLICITY

We are transparent, focused and actively avoid complexity in how we operate

ENVIRONMENTAL, SOCIAL, AND GOVERNANCE

We firmly believe that having a strong ESG proposition is crucial to tackling some of the world's most pressing challenges. As a young business, we're committed to playing an active part – one that expands and evolves as we grow.

We are aligned with Lloyds' ESG guidance and are a new member of ClimateWise.

As well as reporting on our progress based on the ClimateWise principles, we work with our industry peers to raise awareness of climate risk, our collective responsibilities, and the opportunities to contribute to a better world.
